

# The Janet Medcalf Memorial Fund

## Application Form

### About Janet

Janet's commitment to the Association over more than 25 years was constant and absolute. She joined the Association after its inaugural meeting in 1977 and her daughter, Georgina, was diagnosed with TSC shortly afterwards. She became volunteer secretary in 1986, and was appointed as Head of Support Services in 1991, a post which she held until her untimely death in 2006. At her funeral donations amounted to over £11,000, and after much thought and discussion with her family, it was felt that Janet would have chosen for this money to be used to provide help and support to family carers or those living with TSC.
