

Tuberous Sclerosis Association

Specialist Advisers

The TSA employs 4 part-time specialist advisers

WHO DO THEY HELP AND SUPPORT?

They give advice and information to people who have TSC, their families and carers, and also to professionals involved in service provision for people who have TSC.

WHAT SORT OF ADVICE AND INFORMATION?

They give information and advice about a range of issues: about TSC and about services people with TSC may have access to ie. health services, pre-school services, education, social care services, independent living, benefits and other financial help.

HOW DO THEY HELP? by:

- listening sympathetically
- telephone calls
- letters and e-mails
- advocacy and networking
- visits
- support groups and meetings
- training
- contact with specialists & TSC clinics

Our Specialist Advisers do their best to guide people to appropriate services. They give advice according to their professional judgment; The TSA does not guarantee their advice is all that people with TSC & their carers need.

Head of Admin, TSA, PO Box 12979, Barnt Green, Birmingham B45 5AN. Tel 0121 445 6970
